

RUNAWAY BRIDES INTERNATIONAL MINISTRIES NEWSLETTER

NACHAP NO LONGER CRAWLS TO SCHOOL BECAUSE YOU HELPED IN BUYING HER A WHEELCHAIR. This school year Nachap and two orphaned boys have been added as RABS' sponsored students in Karamoja Region. RABS has 14 elementary children, and 4 high-school girls.

RABS has 2 girls enrolled in Seamstress School, where they are also completing their high school (GED) classes. When finished in August, they will be certified by the Ugandan Government as graduates with Degrees. You have also helped in buying each of these two girls a foot operated sewing machine and all the necessary supplies for them to immediately begin their home-village businesses.

Your generous gifts sent Bishop Wilfred Barasa and Pastor Nathan to Mount Elgon where they brought many runaway brides back to Jesus. A great revival broke out in the mountains, and we are hearing many inspiring testimonies.

RABS' Leaders have been baptizing new Christians and re-dedicating Christians this year—it is the season of re-generation and sanctification by our Lord Jesus Christ. Oftentimes, RABS provides inexpensive transportation for those being baptized to a body of water, your loving fellowship gifts makes it possible.

These little ones are just a few of the many children along with men and women, mostly elderly, that your gifts helped in treating them for the contagious skin disease Scabies. It is caused by biting mites. RABS also treated as many huts as possible in the Karamoja Region in Northern Uganda.

Your generosity makes it possible to have the RABS Reconciled Bridal Handbook that our Leaders use to teach printed in several languages. RABS gives them to the attendees on the third day of the Conference, so that they can further study the relationship Jesus desires between Himself and them. Also, they use these books to go out and evangelize and bring more runaway brides back to Jesus. RABS is a multiplication ministry—what our Leaders teach, then we expect those taught, especially the pastors and Christian Leaders, to go out and teach, and these handbooks are very helpful with all the Scripture quoted in them and modeled for the readers in laymen terms.

In many remote areas, RABS' Leaders know that many people have not heard about Jesus Christ. In these areas a lot of witchcraft is used. We have found that outdoor crusades are the most effective form of evangelizing to reach the unreached. Your precious financial gifts support the cost of erecting small stages, renting sound equipment, and oftentimes paying for the space used generally located in the center of the villages being visited. Crusades are done in conjunction with RABS conferences in a nearby church building. The hosting pastor(s) make a list of the newly converted souls and they invite them to the conference. Afterwards, they do follow-up visits and help the newly saved beloveds to grow spiritually.

Reverend Eva Clive holds a degree in education and founded a large private Primary School over 20 years ago. She uses visual teaching by making pictorial banners that travel with her teaching on the loving relationship with Jesus. Many of our attendees do not read nor write. This is a perfect way to help them understand and retain the Biblical lessons being taught. It is your monthly funds that makes these comings and goings and doings possible. RABS thanks you and we appreciate you so very much. We pray

this brief Newsletter encourages you in knowing every sacrifice you make, is truly changing lives for the better.

May our Lord richly reward you.
